Dear Valued Customers

Effective March 1<sup>st</sup>, 2017, Lesso America Inc. will adjust the list pricing for all of our products.

Although it has been 4 years since we established our list prices, this project for change has come about because of the input and feedback we have received from our customers viewing our existing list price documents.

The prices will be published on our website in January, 2017 and will be effective March 1, 2017. Reminders will be sent out again prior to changes going into effect.

Our Sales Management Team along with our Independent Sales Representatives will be available to discuss further any concerns you may have with the new price changes.

We hope that you will be able to see the added value you will receive when purchasing your products from Lesso America. Our customer relationships are extremely important to our success. We are committed to providing you the best quality, services and value which will allow us to grow together.

Sincerely,

A handwritten signature in black ink that reads "Victor Lin".
